### **Description**

When you add Dessert and Eis Cream pages on your shopping cart there is no discount for that pages food. Also, Angebote page menus do not have discounts, but "Please Note: This item will not be discounted." under the menus.

### **Steps to reproduce**

- > navigate to Dessert menu
- > add one food to shopping cart
- > see on shopping cart no discount for added food

### **Expected result**

Dessert or Eis Cream foods discount applied

### **Actual result**

Dessert or Eis Cream foods discount didn't applied
